Warning !

There needs to be at least 5 Watt of lighting connected to the transformer.
The transformer might not function properly when less than 5 Watt is connected.

Let op !

Op deze transformator moet bij gebruik minimaal 5 Watt verlichting aangesloten worden.
Wordt er minder dan 5 Watt aangesloten worden dan kan het zijn dat de transformator niet functioneert.

Achtung !

Zur Inbetriebnahme des Transformators muss eine minimale Beleuchtung von 5 Watt angeschlossen werden.

Bei einem Anschluß von weniger als 5 Watt besteht die Möglichkeit, dass der Transformator nicht funktioniert.

Attention !

Chez l'usage, il faut connecter au minimum un éclairage de 5 watts sur ce transformateur.

Dans le cas qu'on connecte moins que 5 watts, il est possible que le transformateur ne fonctionne pas.
