SILICON

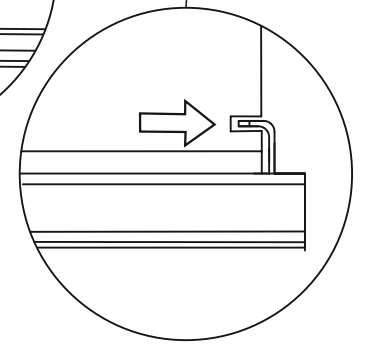

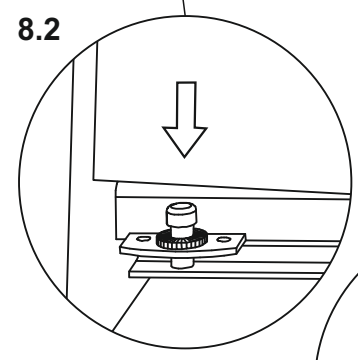

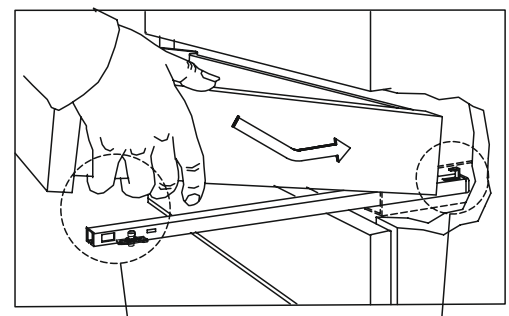

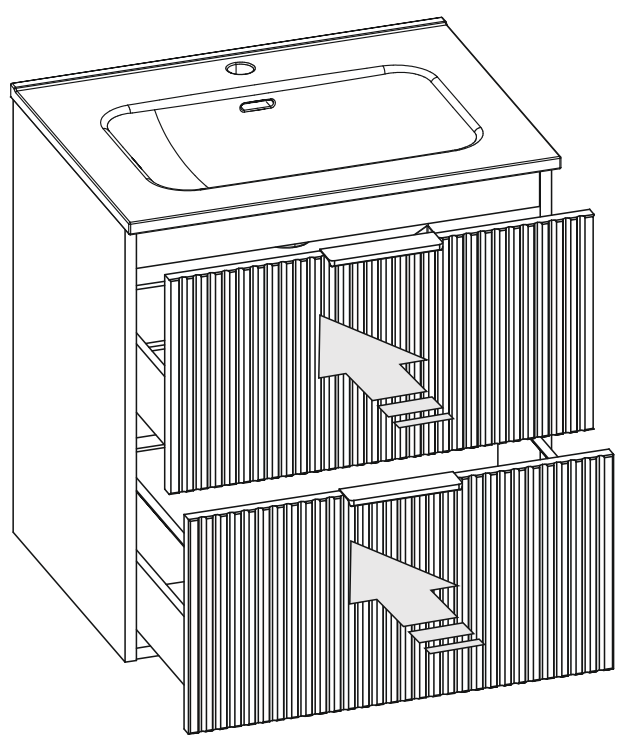

$\phi 8\text{mm}$

05.

The diagram illustrates the installation of the sink and countertop. It shows a three-step process: 1. Preparing the cabinet with shelves and drawers. 2. Mounting the sink into the countertop using a level and a screwdriver. 3. Applying silicone sealant around the sink. A circular inset shows a close-up of the sink being secured with a screw labeled 'R1*'. A shopping cart icon is also present.
